

Sebago Sailing 2013

Calendar of Events

(dates as of Feb.17, 2013 – check with the contact to confirm all events as the season progresses)

Sailing Workdays – March/April - TBA – we will schedule workdays when the weather is appropriate to boat repairs and get our fleet in order for the season and to work on our storage arrangements.

Season Opener (club event) April 20 or 27.

Spring Race Series – Skippers meeting, 11am. First gun, noon. Contact sailing@sebagocanoeclub.org.
(Sailing certified members only)

April 28

May 5

May 12

Open House (club event) – May 18

Canoe Sailing Workshop – June 1, 10am. One day workshop for canoe sailing. What is canoe sailing? How do you choose and rig a canoe? What are these boats like to sail? Attend this workshop and you'll find out! This is for individuals who are already sailing certified in dinghys. Contact Jim, sailing@sebagocanoeclub.org
(Sailing certified members only)

Annual Sailing Instruction Weekend – June 15 and 16, 9am-5pm \$160(class full, wait list only).
Contact Holly, sailing@sebagocanoeclub.org

Intro to Sailing – July 14, 10am-5pm, \$60. One day class (Sign up, space limited - open to all club members).
Contact Holly, sailing@sebagocanoeclub.org

(Sailing certified members only and outside sailors)

Sept. 8

Oct. 6

Oct. 13

Oct. 20

Oct. 27

*We plan to offer a topic for each cruise (potential subjects: learning how to sail the Vanguard 15 and/or 420, intermediate and advanced sailing skills, sailing the laser, trip planning) and use our cruise and/or lunch break on the beach to focus topic-of-the-day, provided there is interest.

To Be Scheduled:

One-on-one instruction and/or assistance **for individuals who have taken our class** (for any year) and need practice before they are certified. Our senior sailors (as they are available) have agreed to schedule short sessions on weekend days, to help our novice sailors who are working toward certification. These times will be announced as senior sailors are available several days in advance of the opportunity. Notice will be made through our sebagosailing@googlegroups.com email list.

New project! We plan to make short instruction videos showing various aspects of sailing tasks and seamanship, specific to Sebago; how to choose and get a boat off the rack, how to find the rigging parts to a boat, how to launch a boat off a dolly and then the dock etc... OK it sounds simple but these are questions that many of our sailors often have. Let me know if you have other ideas or requests for instruction videos.
